*- realizing the power of a life in Christ -*

In two dramatic events, God stepped into a man's life and changed it forever. The first in 1983 involved a miraculous encounter with an angel when he and his family were saved from certain death. A few years later on the New Jersey Turnpike, God came into his car in a stunning "Damascus road" meeting. The Holy Spirit had come in force! I am that man, and this ministry is one of the fruits of the relationship that began then.

### **ANNOUNCING A NEW WEEKLY SERVICE IN WILMINGTON**

**- At McAnderson's Inc., 101 North Kerr Avenue (just north of Market).**

Starting Tuesday night, April 5, at 7 PM, John Newlin Ministries, Inc. will begin a weekly program of praise and worship, prayer, teaching/preaching, and healing ministry. These meetings will center around "realizing the power of a life in Christ." Everyone is invited! (Lanny Swaim and Tim Nichols will take turns leading the praise and worship.). We'll cover such important subjects as who we are in Christ, the power of faith and belief, divine healing, the authority of the believer, the power of the spoken word, the power of prayer, understanding fully who Jesus is and what he did, how to live a victorious Christian life, the fact that Christians are supposed to prosper, and much more. Our thanks to Denny Anderson for making this facility available for the meetings!

### **THE WEB SITE IS UP! [www.johnnewlinministries.org](http://www.johnnewlinministries.org)**

We're happy to announce the official startup of the new ministry web site. Just as we were talking and deliberating about how to go forward in setting this up, along came someone who knows a great deal about web sites and quickly volunteered to design ours. God never, never ceases to amaze. Check it out! Tell your friends about it.

With the installation of the new web site come new ministry emails as well:

### **More January/February highlights:**

A new community evening healing service the first Wednesday night of each month began at Myrtle Grove with a lot of enthusiasm on the part of those involved. We are anticipating this will grow as more and more in the area become aware of the service. We also made many new friends in New Hanover and Brunswick Counties while speaking at Full Gospel meetings. Several have signed up to be on our mailing list, and I am sure ministry contacts made there will lead to much in the future.

All these happenings noted above have been a great encouragement to the ministry!

**GOD WANTS YOU WELL!**

God wants you well! Throughout the gospel accounts we read about Jesus traveling about - teaching, preaching, and healing. If God His Father did not want people well, Son Jesus was working at cross-purposes with God. But that would make God double-minded! That cannot be!

Put another way, Jesus is always doing what he sees the Father doing, as Jesus himself said (John 5:19). And Jesus was always involved in healing people.

God clearly wants His people well!

**GIVING/PARTNERSHIP**

Cathy and I are grateful to all who support this ministry with your prayers, your funds, your time, and your friendship. If you would like to give financially to the ministry, whether a one time gift or in a monthly giving partnership, please mail your gift in the envelope enclosed. Be sure to fill out the enclosed form as well. Also, please use the reverse side of the form to send any prayer requests.

The concept of partnership was made clear by the apostle Paul in Philippians 4:19. Members of the Philippian church had contributed to support Paul in his efforts not only while Paul was in Philippi but also when he was elsewhere. Paul then made the bold statement that "...my God shall supply all your need according to his riches in glory in Christ Jesus." As they sowed into the ministry of Paul, they not only helped him but also received back blessings from God.

Remember, Jesus came that you might have life and have it more abundantly. Always, always keep your eyes on Jesus!
