John Newlin Ministries, Inc.

- realizing the power of a life in Christ -

In two dramatic events, God stepped into a man's life and changed it forever. The first in 1983 involved a miraculous encounter with an angel when he and his family were saved from certain death. A few years later on the New Jersey Turnpike, God came into his car in a stunning "Damascus road" meeting. The Holy Spirit had come in force! I am that man, and this ministry is one of the fruits of the relationship that began then.

Spend an Evening with Jesus!

WEEKLY PROGRAM AT McANDERSON'S IS UNDERWAY

- 101 North Kerr Avenue (just north of Market) 7PM each Tuesday.

Our weekly program began April 5. We are excited about what God is doing here! Come and be blessed. Bring anyone who is sick as we always have a time of healing at the end. This program is focused on understanding fully who Jesus is, what He did, and what He is doing. So many in the Christian community just do not know. Everyone is invited! Come and experience the presence and power of God. Spend an evening with Jesus.

RECORDINGS OF TEACHINGS

We are working hard at producing CD and cassette tape recordings of our teachings. Already we have recorded two – The Basis for Faith in Healing and Keys to Receiving Divine Healing. When they are available, you will see them appear at ministry services and also on our web site.

HEALINGS!

In recent weeks we have been blessed with a flurry of healings. Consider these:

- A man is rushed to the hospital with an aneurysm. A woman stands in for him at the healing service. Suddenly the next day a message is received. The father says a miracle has happened, and the hospital is considering when to release him.
- A woman is told she needs open heart surgery. Healing is prayed and spoken over a long distance telephone call. A new test is given. The doctor says there must have been a mistake in reading the original test results. No surgery is needed!
- A man with serious prostate cancer and scheduled for surgery comes for healing. He then goes to the surgery where, it is shockingly discovered, the cancer has been greatly reduced in size. The lab technician works to see how he could have been so mistaken.
- A woman is diagnosed with Lyme disease. Her mother stands in for her in a healing service. A new test is given no Lyme disease!

God is good. He is moving in those who know and act on his word. Be sure you are one of those.

This site will keep you posted on ministry events. And it's a great way to introduce others to the ministry. Anyone can quickly check the site and read my testimony, check the schedule, see our statement of faith, and much more. Before long you should be able to listen to one of my talks over the internet and to order tapes and CD's of teachings. Check it out! Tell your friends about it.

GOD WANTS YOU WELL!

God loves us! He loves us so much that He sent His son in this little human body form to walk and teach and preach and heal, and eventually to be beaten horribly and die for us and then rise from the dead. In that extraordinary action, Jesus took upon himself all our sins and overcame them. He also took upon himself all our sicknesses, diseases, and pains and overcame them too. Isaiah 53, verses 4 and 5, are the key verses that make this point. In the King James version, verse 4 begins with "Surely he hath borne our griefs, and carried our sorrows." The original Hebrew word translated griefs here is "choli," which means sickness and disease. The original Hebrew word translated sorrows is macob, which means pain. So this verse could have read "Surely he [Jesus] hath borne our sicknesses and diseases, and carried our pains!" The concluding line in verse 5 says "and with his stripes we are healed." Indeed we are. By the beatings Jesus suffered, his stripes, we are healed. He has paid the price. Peter put this in the past tense in 1 Peter 2:24, saying "by whose stripes ye were healed." It's a done deal. Let's be open to receive what our Lord and King has done for us!

GIVING/PARTNERSHIP

Don't forget to write your prayer requests on the back of the form. Cathy and I are so very grateful to all those who pray and support this ministry. You are a very real part of the ministry and share in the blessings that flow, as Paul so clearly revealed in Philippians 4:16-19.
