

John Newlin Ministries - realizing the power of a life in Christ -

In two dramatic events, God stepped into a man's life and changed it forever. The first in 1983 involved a miraculous encounter with an angel when he and his family were saved from certain death. A few years later on the New Jersey Turnpike, God came into his car in a stunning "Damascus road" meeting. The Holy Spirit had come in force! I am that man, and this ministry is one of the fruits of the relationship that began then.

FREEING PEOPLE AND BUILDING THE CHURCH – NOW!

In June Cathy and I were in Tulsa at the annual meeting of ICBM (International Charismatic Bible Ministries), held at Oral Roberts University (ORU). It was wonderful week with friends and with numerous ministry programs at ICBM and at individual churches and places like ORU and Rhema. For us and the ministry, direction and guidance from God. We came back tired and focused and energized, with some new direction and guidance..

The evil one obviously didn't want us there as he kept bringing attacks, but we prayed and countered. Stepping out for Jesus brings that. Bill Wilson, one of the participants, has a new book out called CROSSHAIRS. That's where anyone is who steps out for Jesus. One way to avoid such attacks is to do nothing for God.

In light of all that God has guided me to these past many years and with the affirmations and warnings received in Tulsa, I believe we can now further refine the overall vision of our ministry. First, though, you should be interested in these specific words I've received over time that bear directly on all this. Don't let these words fly by you. In them you can see what Jesus is doing now.

John, this is your assignment - to tell people who I am.

This is the end. Tell them. Leave them no room. Tell them I am coming soon.

I'm bringing people around you. See people for who they are. See them with my eyes.

I have called you to preach the gospel.

Have a prayer, preaching, and healing ministry with your wife.

John, help me find my church.

Well, certainly, we tell people who Jesus is and who they are in Christ, we minister in him, we introduce people to the Holy Spirit and the gifts of the spirit, we heal people, we cast out demons. And we do talk about the signs

Keep Your Eyes on Jesus!

of the times, as witness the DVD mentioned later in the newsletter. As the web site says, we seek to lead, teach, and build up spirit-filled believers to live victorious lives of power.

Where are we taking people that come to our services, read our literature, listen to our CD's? Right into Jesus' church, the bride he is coming to claim, the body of people throughout the world who truly know and believe in Jesus. That's where!

THE MINISTRY'S VISION:: To free people and build Jesus' CHURCH!

Free people from what? From captivity, which means anything holding them back from being who God intended them to be – sin, blindness, drugs, ignorance, disease, evil spirits, curses, anything. That captivity even includes “man’s religious structure,” that system of rules and procedures designed by men to bridge the gap between man’s lost position and God, an effort that cannot succeed. Only Jesus can bridge that gap. And he has, for those willing to accept him. “Man’s religious efforts” include such obvious errors as Islam, Buddhism, and Hinduism and also those many rules and rituals we all encounter in so many churches, procedures and requirements that didn’t come from the Bible and have little to do with establishing a relationship with Jesus. Yes, there has to be some order in man’s activities, especially in large groups. But we must not limit God! Unfortunately, in most people’s eyes, God appears much smaller than He actually is. In truth, there is no limit to what God can do.

It is time now to reach all who are open to hear with the full, the true, the power gospel. It’s time for those who will receive to be free from captivity, to be healed, to be delivered, as described in Is 61:1-2 and Luke 4:18. It’s time for those who believe to do the same things Jesus did, even greater things, because He has gone to be with the father (John 14:12-14).

Only believe...and act. That’s how it all works.

Have you ever noticed in the gospels how great Jesus’ interest is in relating to individuals, not big organizations but individuals? Jesus is all about heart, all about relationships. That came through loud and clear in his answer to the question, “what is doing the work of God?” It is, said Jesus in John 6:29, to believe in the one He has sent (i.e., Jesus). In other words, to have a personal relationship.

Do you really have that relationship? Do you know God? Can you pray with assurance that something will happen and is happening?

It’s all about the heart. You can accept Jesus into your heart now. But you have to be sincere and real. What about the Holy Spirit? Come to our meetings. It is time to get in touch with the Creator. It’s time to join THE CHURCH, HIS CHURCH. Yes, there is benefit to being a member of an individual church group – fellowship, support, hopefully much more. Just be sure that wherever you are, you are also a member of THE CHURCH, Jesus’ Church. Not a whole lot of time left, you know.

NEW CD'S

We have two new CD's just released. You may get these at any of our programs or by requesting directly from the office using the enclosed form or by stopping by the office. CD's are available for any donation. The suggested minimum donation per CD is \$5. If you cannot make a donation, we will make available one CD of your choice for no donation. These new CD's will soon be available over the web site as well:

SEEKING GOD - What do people long for – to speak to God, to know God, to hear from God. This CD presents a message at the core of the Christian journey, recorded live at a service of John Newlin Ministries May 24, 2005. “And ye shall seek me and find me when ye shall search for me with all your heart.” (Jer.11:13 KJV)

WHAT IF WE LIVED AS IF THE BIBLE WERE TRUE? - What if we lived as if we believed Jesus? The Bible is the inspired word of God. The words of Jesus are the words of the creator. Remember, all things were made through him, and without him nothing was made that was made (John 1:1-3). He is the only person who ever lived who only spoke truth. Every word is true. What if we received it that way? How would we live? This CD is from a live service of John Newlin Ministries on May 23, 2006.

END TIMES DVD

Recently Lanny Swaim invited me to be the guest on his Glory Broadcast television program (Raleigh cable channel 22, 6:30 pm, Wednesdays). In total we recorded eight half hour programs on “end times,” a subject capturing many people’s attention these days in light of current events and recent happenings in the world. A DVD containing the eight programs is available and can be requested on the enclosed form. The DVD is more expensive to produce, and we ask for a minimum donation of \$20 for any DVD requested.

PARTNERSHIP

Many people do not know the fullness of what Jesus has done for them. They don't know about divine healing, about being freed from curses, about being delivered from demons (yes, demons are real). They don't know how to be in the presence of God, how to hear God, how to seek God. Nor do they know that we're rapidly approaching the end of this age. Please help us reach these people.

Some of you have decided to become regular monthly contributors to the ministry. That is an extraordinary blessing to the ministry and us and provides a base flow of funds to support the ongoing operation. If any of you would like to become such a regular monthly contributor, please indicate that on the enclosed form.

Many of you know of the plans of the ministry to move onward into more programs –more healing services, more traveling programs, eventually into television on a regular basis. All that requires funds. And we still need CD reproduction equipment, amplification equipment, and many volunteers – especially in the areas of systems, web site management, public relations/event planning, accounting, and more.

Keep Your Eyes on Jesus!

In response to your sowing into good soil – whether with funds or time or effort - God is able to make all grace abound toward you such that you always have all sufficiency in all things and may abound to every good work. (2 Corinthians 9:8).

SPEND AN EVENING WITH JESUS – TUESDAY EVENINGS – 7PM

Don't miss out on all God has planned for these wonderful times together. It is a time of spirit filled praise and worship, prayer, and teaching/preaching the truths of the Bible. And of course, always, always, healing the sick and casting out demons.

The next several weeks we will be focusing specifically on

- the kingdom of God – Remember, Jesus actually said that he was sent to preach this (Luke 4:43). It really is a kingdom, not a democracy. Sorry, Americans.
- power prayer
- why you are here
- What your purpose is and how you can find that – As Proverbs 19:21 says, people have many, many plans but it is God's purpose that actually wins out.
- And as always, moving in and understanding the anointing of the Holy Spirit

In all these subjects we will be focusing as always on the gospels and the king, Jesus. There is no other name under heaven by which we must be saved. (Acts 4:12).

This meeting takes place at 101 N. Kerr in Wilmington, NC.
