MAKE IT PERSONAL! GOD WROTE THIS FOR YOU!

God's word is true. The Bible is true. God does not lie. Jesus is the same yesterday, today, and forever.

All that is true.

There is power in the Word. God's word.

So make it personal. Don't just quickly read over it like reading any other book. The Bible is not any other book.

We could take any subject here to illustrate. Let's take healing. Being healed. That's a personal and vital issue.

Many of you know about our collection of key healing scriptures. You can see them on the healing resource page on our website.

One short list is what I call our healing scripture quick list, a list to read and apply to yourself and pray over when you are dealing with something, perhaps a sudden physical problem.

Let's just pick one of the scripture sections for now. This comes from Psalm 103:1-3:

*Praise the LORD, my soul;
all my inmost being, praise his holy name.
Praise the LORD, my soul,
and forget not all his benefits—
who forgives all your sins
and heals all your diseases,*

When you read this perhaps right in the midst of dealing with pain, for example, note the first two verses already are personalized for you. "My soul" they say. That's your soul the words are talking about. Deep down within your soul be in a sense of praise. Thank the Lord for all he has done, for his taking upon himself all your sickness and disease and pain and overcoming all that! And then when you get to the last line, note the words there: forgives all your sins and heals all your diseases. The Lord does that. In fact, as we know, he has already done that in going to and through the cross. When you are reading and praying over these words in the midst of dealing with pain or sickness, make this personal and timely!!! Praise the Lord, forget not all he has done for **me**, who forgives all **my** sins and heals all **my**

diseases. That is you speaking. “Forgives all my sins and heals all my diseases!” And finish up your focus on this section by saying he’s already done it. It’s a done deal. He has already forgiven all my sins and healed all my diseases!

Well, look a page or two over at Psalm 105:25:

*He brought out Israel, laden with silver and gold,
and from among their tribes no one faltered.*

That refers to the time God led the Israelites out of captivity in Egypt. Note the no one faltered phrase. That means there was not a sick one among them. They were all well and strong and able to walk out of Egypt!!! If any had been sick before they left, they had been healed by God! The movie Exodus and any other that deals with this scene has it all wrong when it shows sick or ill people being carried on stretchers or helped along!

Read that and just declare – not a sick one among them! God healed them all! We are in this case just recognizing and applying the truth of that great mass healing by declaring it boldly. Declare if God did it for them he will do it for me! In fact, he already has.

And then quickly go on to Psalm 107:20:

*He sent out his word and healed them;
he rescued them from the grave.*

This is one of my favorite examples of personalizing scripture! It says God sent out his word and healed them, he rescued them from the grave. The He is God. Who or what is the word? Jesus of course. And the them? That is you when you are reading and applying this scripture! Insert your name there, or the name of whomever you are seeking healing for!

So after you read it as printed in the Bible, modify it and say:

*God sent out **Jesus** and healed (**your name**). He rescued (**your name**) from the grave*

And modify a bit further and declare:

*God sent out **Jesus** and healed **me**. He rescued **me** from the grave.*

By now you should be shouting and praising God and thanking God for all he has done for you.

Imagine. Well you don’t have to imagine because we know it is all true. And it is in black and white in the book. God sent Jesus and healed you...in all ways, actually, not just physically!

There are so many other scriptures you can personalize as we have just done and apply to yourself. The Bible is a living book. There is power in the words there. Read them and say them and declare them and apply them out loud. This power will fill the room. The presence of God will fill the room.

And by his stripes I have been healed!!! That’s the paraphrase application for you to declare from Isaiah 52:5, maybe the most famous verse dealing with healing.

The fact is you can read and study and declare and apply so many scriptures directly to you and your life. Do it. God wrote this book for you.

We have another handout on the healing resource page, a page of proclamations to make, which really are just what we have been doing here. They are scripture applied to you personally. That particular sheet not only deals with healing but other subjects as well. Print it out and use it. But you are not limited to that or to any of our healing handouts. The Bible is full of wonderful scriptures. Use them. Read them out loud. And apply them.

Thanks be to God for this wonderful gift.

WORLDWIDE VIDEO MINISTRY UPDATE

Just in two days this week more than 182,000 came to a video we were promoting in Argentina. And more than 106,000 came in Poland! Those are astounding figures. As of now, the total number coming to the videos we have taken steps to promote in various countries of the world is almost **two and a half million**. That is staggering!

It is more than staggering that so many have been reached in just the few months since we began really pushing into the world's nations last fall.

Of the people that come to the videos, some choose to send us "likes" which those of you familiar with social media will recognize. And a smaller number wonderfully even choose to repost the video they have gone to onto their own X (Twitter) account so that all who follow them can see it! And some actually sign up on X (Twitter) to follow us.

Our basic ten videos are all available on YOUTUBE too under The Imminent Return of Jesus playlist for anyone going there, and they are on X (Twitter) in chronological order as they are posted. It is on X (Twitter) that we are reaching the large numbers in the world.

I do think this use of modern technology and in this case especially X (Twitter) is indeed part of a last day's revival worldwide. We are reaching great numbers we could have never reached otherwise – In Singapore, Argentina, Portugal, Greece, Denmark, Belgium, Poland, the Philippines, South Africa, Germany, Austria, and many more countries.

Initially when we began this effort in late summer/early fall, the number coming to a video promoted for two days was several thousand in the US, in the UK, in Canada, in Australia. And then as we began to move out from these fundamentally English speaking countries, the numbers began to increase. In December and now right up to today that increase has been exponential! It is just downright amazing. All this of course is God's doing and to me indicates just how close we are to the imminent return of Jesus.

All of you who pray for us and the ministry, who contribute financially or otherwise are part of all this effort and the other activities of the ministry!
