MORE WORLDWIDE VIDEO MINISTRY UPDATE: Currently our focus is on Hong Kong. Last week in four days our video “Watch! Be Alert!” reached more than 484,000 there! Now as this newsletter is being prepared, another of our videos “How Does Anyone Get To Go With Jesus When He Returns?” is reaching hundreds of thousands there! It is all amazing. This is all God’s doing! We are in the very last days.

THERE ARE NO GOOD PEOPLE

I am not a good person. Oh, friends and others would say I am, but I know better.

Jesus said no one is good but God.

That’s a high standard I know, but that is the Lord speaking. And he is truth.

So then, even for born again, spirit filled believers in the Lord Jesus, there is no one that is good. No one.

Believers try to follow Jesus. They try to keep their eyes on him always. But there are so many distractions and temptations and such confusion on earth coming from so many directions, even sometimes perhaps from or through someone close to us.

You know that if you are at all honest with yourself.

These distractions and temptations often come from the evil one who still today is in charge of the world. Or they come just from the myriad of opportunities happening all around us. Or they even come just from the nature of the fallen world itself, a world that separated itself from God years ago in the monstrously wrong decision of Adam and Eve.

So what is a true believer to do in the face of such monumental challenges?

Use the tools God has provided! Use them! I write about them all the time.

When you suddenly are aware that you are focusing on thoughts that are not good thoughts, take action! As scripture says, take all thoughts captive to make them obedient to Christ. Say it out loud!!!

“I take all thoughts captive to make them obedient to Christ!!!”

That is right from scripture, 2 Corinthians 10:5. That is one not to forget.

Keep Your Eyes on Jesus!

And in Jesus' name order all evil spirits to get away from you, your family, your home, etc. Jesus himself gave you the authority to do that (Mark 16:17 and more)

And throughout the day, after you have been around others, order evil spirits out again!!! You can add in ordering away all harmful germs, bacteria, fungus, allergens, virus, pests....all that is of the devil.

Daily put on the armor of God as Paul described in Ephesians 6. Start your day with that, and with the ordering out of evil as described above. And end your day the same way

Another step you can take is to thank God for the angels he has sent to serve you. That service surely includes protection (Hebrews 1:14).

As you go through the day, never give the devil a foothold, an opening to get into your life. That is scriptural too.

This world system in which we live is not heaven. Despite the physical world being beautiful in some places, it is not what God originally intended. All of creation has been groaning for years and years, ever since the fall.

Keep up the good fight. Seek to stay in the right relationship with Jesus. Watch! Pay attention to Luke 21:36.

Soon, oh so soon, believers will be around other believers with Jesus and the Father in Heaven. Will we be able to say we are good then? Don't know. Let's hope so.

Right now, there is none good but God.

KEY LAST DAY EVENTS NOW UPON US

The beginning of the seven year Tribulation only awaits the confirmation by the Jews - by Israel - of an agreement which apparently they believe gives them real peace [Note in Ezekiel 38 that they are living in unwallled villages when the future attack comes from the north, so obviously then they think they are at peace.]. Right now surely Israel does not exist in an environment of peace.

It was suggested by a friend that the current US president with his drive for bringing about peace agreements might be the way a peace environment is brought about in the Middle East in which eventually such an agreement could be signed. This certainly seems reasonable and indeed follows the way events have been transpiring.

But even if that peaceful environment is accomplished in the Middle East, Daniel 9:27 makes it clear the Antichrist is the one who will lead the confirmation of that agreement. And right now he can't do that. He is being held back from stepping out and doing such a thing (2 Thessalonians 2). By whom? By the believers on earth. By the Holy Spirit.

So it is clear believers must be taken away before that agreement is done. Jesus could come right now, or perhaps as late as right before the signing of that agreement. At some point anyway believers must be taken out of the way so the Antichrist can be freed to go about his work, and there must be a general environment of peace that the Jews in Israel can see and believe (as erroneous as that belief will prove to be).

Any moment, I repeat myself, any moment – that could be now or some time from now – Jesus will take his believers away and we will begin the next phase of our existence. I don't know precisely when and you don't

either. The word “soon” means something different to the Lord and the Father than it does to you and me, quite apparently!

Soon the hundreds of millions of Muslims and Hindus and Buddhists and just plain other lost unbelievers like you see everyday in the news and on the streets and among your family and friends will be left here lost even more than they are now, not knowing what has happened, and about to experience horror like no one should ever want. Anything any of us can do to help anyone in this lost group be saved, to help the Father lead them to the Lord, will surely be well received by our Creator.

In this time we have remaining on earth we should be about our father’s business. And be sure always to watch! Be alert. Stay focused as Jesus described in Luke 21:36.

OUR STRUGGLE ON EARTH TODAY

¹² For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms – Ephesians 6:12

⁴ The weapons we fight with are not the weapons of the world. On the contrary, they have divine power to demolish strongholds. ⁵ We demolish arguments and every pretension that sets itself up against the knowledge of God, and we take captive every thought to make it obedient to Christ. - 2 Corinthians 10

In this day we are encountering everywhere - especially in the daily media broadcasts – persons demonically guided. These are lost persons who have no defense against the evil one, and they are being guided by his minions. Look at all the truly evil terrorists in the world – in the Middle East to be sure, but elsewhere as well. People who commit actions no sane or even remotely decent person would ever even contemplate. Reasoning with such people is impossible. Certainly and constantly steps to cast out demons must be applied.

Look also at the crazed demonstrations in the US and elsewhere against Israel in support of the Palestinians. It is hard to conceive the mind of these people, but it is easy to understand they are demonically inspired and led. Surely they are lost.

And all these truly lost beings that commit random crime on the streets and elsewhere in the cities of the nation. Bopping an old man or woman on the head. Shooting little children in church. Committing atrocities. Lost. Without a compass. Moral depravity on display.

Evil is running amuck. The devil knows his time is short. The return of the Lord fast approaches, and when Jesus takes away his believers, the Antichrist is freed from what has been holding him back, and the Tribulation begins, the devil will be left with just 7 short years before being hurled into a pit and locked in there.

Now God has provided us with great tools to use for our protection as we have said so often. And beyond that, we believers in the Lord Jesus Christ can do the same things he did and more. We have his authority. So we can take action against these evil demons when necessary. Be aware of where you are at all times, physically and spiritually. Watch! Be alert! In Jesus’ name. Protect yourself. Put on the armor of God Paul describes in Ephesians 12. Thank God for the protection and other services of the angels he has sent you. And cast out, order away, all demons whenever you encounter them or suspect they are nearby.
